**April 19 -  
July 16, 2021**

To help you determine the best size of compostables cart, the City will be providing collection of extra yard waste between **April 19 and July 16, 2021**.

During these dates, you can put extra yard waste at the curb in paper yard waste bags, bundled, or in your old containers with a green compostable waste sticker, on the same day as your recycling carts.

A **maximum of 10** yard waste bags, containers or bundles will be collected in addition to your green cart.

Updated schedule information will be posted online at [abbotsford.ca/carts](http://abbotsford.ca/carts). Pick-up dates for this program will be automatically updated in the Curbside Collection App.

**Beginning July 19, 2021, extra yard waste will not be accepted. All material will need to be fully contained inside a cart with the lid closed.**
