Note that data from the voluntary 2011 National Household Survey is not as reliable as the 2011 Census, or any historical Census – use caution when comparing data between the 2014 and 2011 profiles. In particular, some areas have higher non-response rates than others in the 2011 National Household Survey. An average non-response rate is provided with each profile to help readers assess the data quality.

Average West Clearbrook non-response rate: **37.8%**

Official Community Plan (OCP) Policy Context

The OCP vision for West Clearbrook focuses on maintaining the general single family home character of the area. Most development will occur along Clearbrook Road and South Fraser Way with higher density commercial and residential development. The intersection of Clearbrook Road and South Fraser Way will retain its commercial and service centre character.

Landmarks

Ellwood/Fishtrap Creek Park

Fishtrap Creek was originally built as a large stormwater management facility to minimize the downstream flooding caused by urbanization. The park includes a paved loop that wanders through creeks, wetlands, peninsulas and islands. The Discovery Trail runs through the east side of the park.

Garden Park Tower

Developed in 1994 and owned by the Clearbrook Golden Age Society, Garden Park Tower contains 111 residential units for retired and semi-retired residents, a cafeteria, hall space and a range of retail and professional and non-profit office space. A significant mixed-use development within the City, Garden Park Tower is located adjacent to Evergreen Village, another high density residential project in West Clearbrook, and contains a neighbourhood park situated above the underground parking garage.

Clearbrook Plaza

A mixed retail and office development anchoring the northwest corner of South Fraser Way and Clearbrook Road, the Clearbrook Plaza was developed in 1992. Containing over 82,000 sq ft of commercial space, the Plaza is a major shopping destination within the historical Clearbrook town centre area.
