

Irrigation & Landscape

Water Efficiency Program

**Sign up for a FREE
irrigation & landscape
assessment!**

- ▶ **RETURNING!** Sign up for an irrigation and landscape assessment and receive a coupon for **50% off of native plants** through the Fraser Valley Conservancy's Native Plant Sale!
- ▶ Rebates are also offered for waterwise plants, soil amendments and climate-based irrigation controllers that improve water efficiency. **New this year**, drip irrigation will also be included in the rebate.

***You must sign up for an assessment (30 minutes to one hour) before you receive the coupon code or apply for a rebate. Rebates are limited and offered on a first come, first served basis.**

COMING SOON! Native Plant Workshop

Learn how to plant a successful waterwise garden with native plants.
