- Ceremonial Circle
- Traditional Drumming & Singing
- Offers support and provides spiritual counselling to residents
- Drum making, medicine bags, beaded lanyard, dream catchers, canvas painting and making cedar roses
- Therapeutic mask painting (Toddler, Child & Adult)
- Indigenous Medicine Wheel, and Four Directions teachings
- Truth & Reconciliation teachings
- Father involved Indigenous teachings & support
- Connecting men back to their communities
- Offering spiritual counselling for residents who have been impacted by residential schools, vicarious trauma & Missing & Murdered Indigenous women & girls

# ALL NATIONS HEALING GARDEN

Holistic Environment for All Nations to Learn in an Inclusive iNovative Gathering Place.

The Healing Garden is a sanctuary of serenity and renewal, offering a space for reflection, contemplation and restoration of the mind, body & spirit

## The Benefits

- Earth Workers plant and cultivate sacred medicines
  - Tobacco, Sage, Sweetgrass & Cedar
- The medicines that are harvested are used for traditional ceremonies with Elder Mary Fayat & housing residents
- The garden creates a safe space for Truth & Reconciliation, which is a vital process for healing & progress, acknowledging past injustices, fostering understanding and building cultural awareness and a foundation of inclusion

THANK YOU!
